Clean Air Fair scheduled for April 6 to 9

Clean, breathable air is important for a healthy lifestyle. Pima Association of Governments and various other entities bring to you the annual Clean Air Fair, from April 6 to 9, to promote ways to keep our air clean.

Other sponsors include the Pima County Department of Environmental Quality, the city of Tucson Department of Transportation, Pima County Department of Transportation, Sun Tran, Pima Community College, KOLD TV 13, 92.9 The Mountain radio station, Wild Oats Natural Markets and BICAS.

The three-day event includes historic walks, bike rides, Walk n' Roll to School Day, A Bike to Work Day Fair, clean-fueled car show, carpooling activities, Sun Tran free ride day and a Blue Skies Contest.

On April 9, from noon to 4 p.m., the Clean Air Jam will be held at Reid Park at the DeMeester Outdoor Performance Center.

The Clean Air Jam will feature a car and truck show displaying a variety of clean fueled vehicles. The Jam also features live music, fun activities for kids, and booths and information about preserving the environment.

Music will be provided by the Bad News Blues Band, Round the House (including PAG's Watershed Planning Manager, Claire Zucker) and others. An air-filled obstacle course, face painter and balloon artist will be there for children's entertainment.

More information is available by contacting PAG at 792-1093 or Pima County DEQ at 740-3947 or by visiting www.tucsonaz.gov/caf for the schedule of activities.

Pima Association of Governments is an association of local, state and tribal governments with a mission to build consensus among its members and the public on regional planning for transportation, air quality and water quality. PAG's staff gather and analyze data, provide accurate information, and coordinate an open and cooperative planning process to promote good decision-making for the region. Please visit www.pagnet.org for more information.
