MEMO

To: Air Quality Subcommittee

Date: July 31, 2009

From: Beth Gorman, Chair

The Air Quality Subcommittee (AQS) meeting scheduled for Tuesday, Aug. 11, 2009, has been **CANCELED**.

Minutes from April 14, 2009, meeting and August announcements can be found at <http://www.pagnet.org/Calendar/tabid/60/ctl/Details/Mid/1282/ItemID/1067/Default.aspx?selecteddate=8/11/2009>

The next meeting is tentatively scheduled for **Tuesday, Oct. 6, 2009**, in PAG's main conference room (501). More information about this meeting will be distributed to the Subcommittee as the date approaches.

On July 22, 2009, the Orange Grove monitoring site registered particulate matter concentrations in exceedance of the NAAQS. PDEQ staff attributed this exceedance to a natural event and will most likely petition ADEQ to apply for an EPA exemption. A *Tucson Daily Star* article describing the event can be found at: <http://www.azstarnet.com/allheadlines/302920>
