

PIMA ASSOCIATION OF GOVERNMENTS
COMMITTEE FACT SHEETS

Committee Fact Sheets*

Committee fact sheets* identify members of Pima Association of Governments’ Regional Council, Management Committee, standing advisory committees and subcommittees, task forces and working groups.

Updates are completed annually in conjunction with development of PAG’s Overall Work Program. Additional updates may be completed throughout the year to reflect changes in the membership or specific committee characteristics.

Combined with PAG’s Guidelines and Recommendations for Committee Chairpersons, these fact sheets provide the official structure and guidance for each committee. Some committees also may have formal bylaws, intergovernmental agreements and/or ordinances that provide additional guidance as to its purpose and committee organization, or supersede the more general PAG committee guidelines and procedures. Other committees may have unique characteristics which may result in the need for exceptions to the typical committee guidelines.

*Membership and specific characteristics of committees are subject to change.
Contact the assigned PAG staff lead for the most recent update to these Fact Sheets.
