## Transit survey: Let us know what you think

Pima Association of Governments, the region's metropolitan planning organization, is developing a long-range regional transit plan, in partnership with the City of Tucson.

This plan will examine potential changes to Sun Tran, Sun Link and Sun Shuttle service over the next 10 years.

To help with plan development, PAG is seeking public participation in an online survey to provide feedback on priorities for public transit in the Tucson region.

The five-minute survey seeks feedback on future transit funding; preferences on transit frequency, coverage areas, weekend and evening service; and investment prioritization.

The survey may be accessed at [www.PAGregion.com/feedback](http://www.PAGregion.com/feedback).

The deadline to respond to the survey is Friday, Jan. 18.
