2000	13,556	519.84%	29,700	345.28%	3,242	99.02%	5,490	7.80%	486,699	20.06%	305,059	23.24%

* Sahuarita was incorporated in 1994. Sahuarita 1990 population was estimated from census tracts approximate to the incorporation limits of the town. The 1990 unincorporated Pima County population includes the population of Sahuarita because Sahuarita was not incorporated in 1990. As a result, the sum of the population for unincorporated Pima County and all jurisdictions (including the Sahuarita estimate) is 1,629 greater than the total Pima County population.

Pima County growth rate since 1980 = 59%
Maricopa growth rate since 1980 = 103%
Arizona growth rate since 1980 = 89%
US growth rate since 1980 = 24%
Pima County growth rate since 1950 = 497%
Maricopa growth rate since 1950 = 825%
Arizona growth rate since 1950 = 584%
US growth rate since 1950 = 86%
From 1990 to 2000, Marana experienced the highest growth rate of any AZ city (519%)
Oro Valley was second in the state (345%)
