

2040 Regional Transportation Plan (RTP) Comment Form

May 2010

Public input is an important part of the RTP planning process. Please take a few minutes to complete this comment form.

1. The 2040 RTP includes a list of proposed roadway, transit, bicycle, pedestrian and safety projects. What specific comments do you have on the 2040 RTP project lists?

2. How might the proposed 2040 RTP projects affect you or your immediate neighborhood either positively or negatively (e.g. increase safety, increase access to jobs and services; relieve congestion; other impacts on the environment, neighborhoods and/or businesses, etc)?

3. The 2040 RTP also includes a list of Implementation Strategies that will help guide PAG, the eight jurisdictions in the region and our entire community as we work to strengthen our region and improve our transportation network. What specific comments do you have on the Implementation Strategies?

4. The 2040 Regional Transportation Plan is a financially constrained plan, where the cost of proposed projects cannot exceed anticipated funding. Thirty-year financial estimates are provided in Section VI of the draft 2040 RTP. This section is labeled "Financial Plan" and shows anticipated revenues from FY 2010 through FY 2040 for the PAG Region.

Please provide any other comments or questions you may have regarding the financial plan.

5. Please provide any other comments or questions you may have regarding the proposed 2040 RTP.
