The U.S. Census Bureau conducts a Census count every 10 years ... the next Census Day is April 1, 2010. A brief, 10-question form will be mailed to every household next spring. Information requested remains confidential with the Census Bureau and is used to distribute dollars to our region to fund libraries, roads, family services and more. Pima County, Make Your Family Count. For details, visit www.pagCensus.com.
