RTA seeks applicants to serve on citizens’ committee
The Regional Transportation Authority is seeking applicants to fill up to five vacant positions on the Citizens Accountability for Regional Transportation (CART) Committee.

Members of the committee are responsible for providing oversight on implementation of the $2.1 billion regional transportation plan, which includes 51 ballot items approved by voters on May 16, 2006.

The committee, which meets quarterly, also reviews the RTA’s annual report, which details project status, the volume of sales tax collections and how the tax dollars are spent each year.

CART Committee members serve staggered terms and new members will serve a four-year term, starting Oct. 1, 2011. In addition to citizens selected through the application process, each of the RTA’s member jurisdictions appoints a representative. All CART member recommendations are approved by the RTA Board.

The Regional Transportation Authority is the fiscal manager of the $2.1 billion regional transportation plan approved by Pima County voters on May 16, 2006. The RTA Board is comprised of elected representatives from the cities of Tucson and South Tucson, Pima County, the towns of Marana, Oro Valley and Sahuarita, the Pascua Yaqui Tribe and the Tohono O’odham Nation. A representative of the Arizona State Transportation Board also serves on the board. For more information about the RTA plan, visit www.RTAmobility.com or call (520) 770-9410.
