Solar Presentation and Neighborhood Tour at Dove Mountain set for March 25

Southern Arizona Regional Solar Partnership in coordination with Heritage Highlands, the Dove Mountain Civic Group and Trico Electric Cooperative, will host a Solar Presentation and Neighborhood Tour on Sunday, March 25, from 1 to 4 p.m. in the Heritage Highlands Ballroom, 4949 W. Heritage Club Blvd., Marana.

A 30-minute presentation preceding the tour will highlight basic solar technology, available tax incentives, variable payback time frames, reduced electrical expenses, and the environmental contributions solar provides to our community. Maps and informational pamphlets will be provided to all attendees.

During the tour, homeowners will discuss their experience with their installations, cost savings, and their overall satisfaction with the solar system. Actual cost/benefit analysis from installed systems will be available for select homes.

RSVP by March 23 to be entered in a drawing for a Monaco Solar Cell Phone Charger. Additionally, the first 50 attendees to arrive on the day of the tour will be entered in a drawing to win dinner for two at the HH Grill. Everyone who attends the tour also will be entered in a drawing for two rounds of summer golf at the Heritage Highlands Golf Club.

With over 300 days of sunshine, southern Arizona is the ideal location for solar powered homes. Rising energy prices and falling solar
