RE: Town of Marana PAG 208 Plan Amendment

Dear Claire,

Flowing Wells Irrigation District (District) has been coordinating with the Town of Marana (Town) regarding their request to process a Pima Association of Governments (PAG) 208 Plan Amendment to obtain Designated Management Agency (DMA) status for the purpose of providing wastewater collection and treatment services. The District understands that the PAG 208 Plan Amendment and DMA boundaries as proposed, includes the portion of the Town's General Plan Area located in Pima County. The District also understands that the Town has met extensively with the PAG Scope of Work committee to respond to questions, clarify concerns, and perform multiple revisions to the PAG 208 Plan Amendment.

The District concurs with the Town of Marana's effort and recommends PAG approval.

Yours truly,

A handwritten signature in black ink, appearing to read "David Crockett", is written over a horizontal line.

David Crockett,
Superintendent
