What's your transit vision? Attend one of our workshops to share your ideas

Pima Association of Governments will host three Transit Visioning Workshops, open to the public, to identify and discuss transit priorities to guide regional efforts in transit planning and investments.

The input from these workshops will help to guide development of a regional transit vision to inform the development of PAG's 2045 Regional Transportation Plan and future regional planning processes.

The workshops will be held at PAG, 1 E. Broadway Blvd., in the Santa Rita Conference Room on the 4th floor on the following dates:

- **May 13** - 6 to 8 p.m.
- **May 19** - 1 to 3 p.m.
- **May 21** - 9 to 11 a.m.

For background information, the following report was prepared by transit planning consultant, Jarrett Walker:
